Ernest G. . Therkorn

ART UNIT	PAPER
1797	20100420

DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

## Commissioner for Patents

The reply filed on March 8, 2010 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): A restriction was required between claims 15-21, directed to a filter element and claims 22-28, directed to a chromatographic separation column. Applicants elected claims 15-21. The amendment of March 8, 2010 adds the column element to claim 15. As such, claims 15-21 are withdrawn from consideration as being directed to the non-elected invention. Inasmuch as all the claims are withdrawn, the amendment is considered to be non-responsive. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to E. Therkorn at telephone number (571) 272-1149. The official fax number is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
